

CF-1

YEAR

**ANNUAL STATISTICS OF INSTITUTIONS
FOR
HIGHER EDUCATION**

(NUMERICAL DATA)

NAME OF THE INSTITUTION.....

ADDRESS.....

EXPLANATION

Academic year: The academic year is taken as the financial year for the sake of uniformity i.e. from April 1st of a year to March 31st of the next year.

Reference Period: The numerical data in this form should be reported as on 30th September of the academic year.

Current year : For the sake of clarity , it may be mentioned that the current year wherever it occurs in this form, means the year for which the statistics are being filled in .

Recognized institutions : Recognized institutions are those in which the courses of study followed is that which is prescribed/recognized by the University/ University level Institutions / Board of Secondary Education / Intermediate Education constituted by law. They are open to inspection and the students are eligible for admission to public examination held by Universities / Boards.

Institution: An Educational Institution comprises of a group of students of one or more grades, organized to receive instructions under one or more than one teacher including the head in a specific institution premises.

(a) Boys' institution: An institution is a boys' institution where boys are admitted to all classes and admission to girls are restricted to some specific classes..

(b) Girls' institution: An institution is a girls' institution where girls are admitted to all classes and admission to boys are restricted to some specific classes.

(c) Co-educational institution : Both boys and girls are admitted to all classes in the institution

Institutions by Management :

a. Government: : Institutions fully managed and financed by central/state governments, autonomous organisations under the centre/state governments.

b. Local body : Institutions run and financed by Municipal Corporation, District Boards, Municipal Boards, Cantonment Boards, Town Area Committee,

Panchayat Samities, Zila Parishads, etc. are classified as local body institutions. They usually follow the state norms..

c. Private Aided: A recognized institution, which is run by an individual, trust, or a private organization and is receiving regular maintenance grants either from a local body or the state or a central government.

d. Private Unaided : A recognized institution, which is run by an individual or a private organisation and does not receive regular maintenance grants either from a local body or central/state government. An institution which is in receipt of an ad-hoc grant for a specific purpose like building grant, grant for strengthening of library or laboratory facilities, one time subsidy towards teacher salary etc. but does not receive regular maintenance grant should be treated as an unaided institution.

Government : Includes both Central & State Governments unless and otherwise stated.

An institution should be classified according to the highest standard of its teaching and if any institution is imparting instructions in more than one course , the institution should be shown against the highest level of course for which it is primarily meant for e.g. colleges with M.A/M.Sc., B.A., B.Sc., B.Com. LL.B, Teacher Training classes will be shown as Post Graduate College of Arts & Science. Institutions have grades according to levels e.g. Institutions of Degree Level are those, which provide instruction in course(s), the successful completion of at least one of which leads to a degree or a diploma equivalent to a degree.

Types of Education

(a) General Education - It includes the study of Arts, Science, Commerce, Home Science, Modern Indian/European languages, Theology, Public administration, Statistics and other similar subjects.

(b) Professional/vocational education – It includes the study of courses which prepare students for various professions/vocations such as Agriculture, Teacher Training, Physical Education, Engineering and Technology, Architecture, Fine Arts, Music Dancing, Sculpture etc.) Journalism, library, Science, Law, Medicines, Business Management, etc.

(c) Other Education - It covers institutions for Social (Adult) Education, Oriental Studies, and others not coming under any of the ‘three categories mentioned above. .

Note: The Statistics in respect of all institutes engaged in imparting higher education including Centrally Administered Educational Research Institutions should be supplied.

Proforma for Collection of Statistics from Institutions of Higher EducationTable - I - GENERAL

1. Name of the institution

2. Location :

(i) Complete postal address

.....

.....

(ii) Situated in Urban/Rural Area

3. Management: Government/Local bodies/University/Private (Aided/Unaided)

4. Institution meant for: Boys/Girls/Both

5. Name of Degrees/Diplomas/Certificates
for which instructions provided by the institutions: -

6. Number of Teachers :- Men Women Total

(i) Total number of Teacher

(ii) Number of Teachers
included in (i) above and belonging to :-

(a) Scheduled Castes

(b) Scheduled Tribes

7. Non- teaching staff :- Men Women Total

(i) Total numbers

(ii) Number included in (i) above and belonging to :-

(a) Scheduled Castes

(b) Scheduled Tribes
