Sir,

This is in reference to the G.O. 312-Edn (CS) / 5P – 43/ 2014 dt. 31.03.2015 in which a section of college teachers is alleged to have overdrawn considerable amount of money due to “pay fixation inadvertently made earlier, which is contrary to the University Grants Commission’s clarification number F. 9-4/2010 (PS) Misc. dt. 14.03.2014”.

- May I draw your kind attention to the fact that the **clause 2.8.0 UGC Regulation 2000** [copy attached herewith] which clearly states that feeder cadres may be placed in the next higher grade “after adjusting the total number of years” despite the fact that required number of years for each grade may be more or less.
- Please also find enclosed herewith a copy of clarification of UGC send to Andhra University in this regard.
- Sir, under these circumstances I humbly appeal to your good self to kindly reconsider the aspect of amount recovery as because the pay fixation was done in conformity with the clause 2.8.0 of UGC Regulation 2000. Promotions to the post of Reader for these incumbents were mostly due prior to UGC Regulation 2010.
- Sir, in today’s context when every man has to combat survival and fight for sustenance of life and livelihood it is extremely painful to give back hard-earned money.

Therefore it is our humble appeal to the Government of “*Maa Mati Mannus*” to do the needful in this regard to alleviate the agony of the wretched teachers and retired pensioners whose survival is now at a grate stake vide order no. 312 Edn (CS) dt. 31.03.2015 issued by Higher Education Department, Govt. of West Bengal.

With regards,

Yours sincerely
